Forecast for Saturday 07 May 2022

Weather: A misty or foggy start on some hill tops with patchy low cloud. But then, a fine and dry morning with plenty of sunshine. Remaining dry, with some fair weather cloud in the afternoon but largely clear skies in the evening, the sunshine becoming increasingly hazy.

Chance of cloud-free hill tops above 800m: 10-20% in western parts, 40-60% in the east, becoming 100% by mid-morning.

Low Cloud and visibility: Poor visibility first thing with patchy low cloud, bases around 150-200m, especially in the west where the cloud is likely to be more extensive. Lifting above summits by mid-morning, the visibility becoming very good all around.
